

Ideation Phase

Empathize & Discover

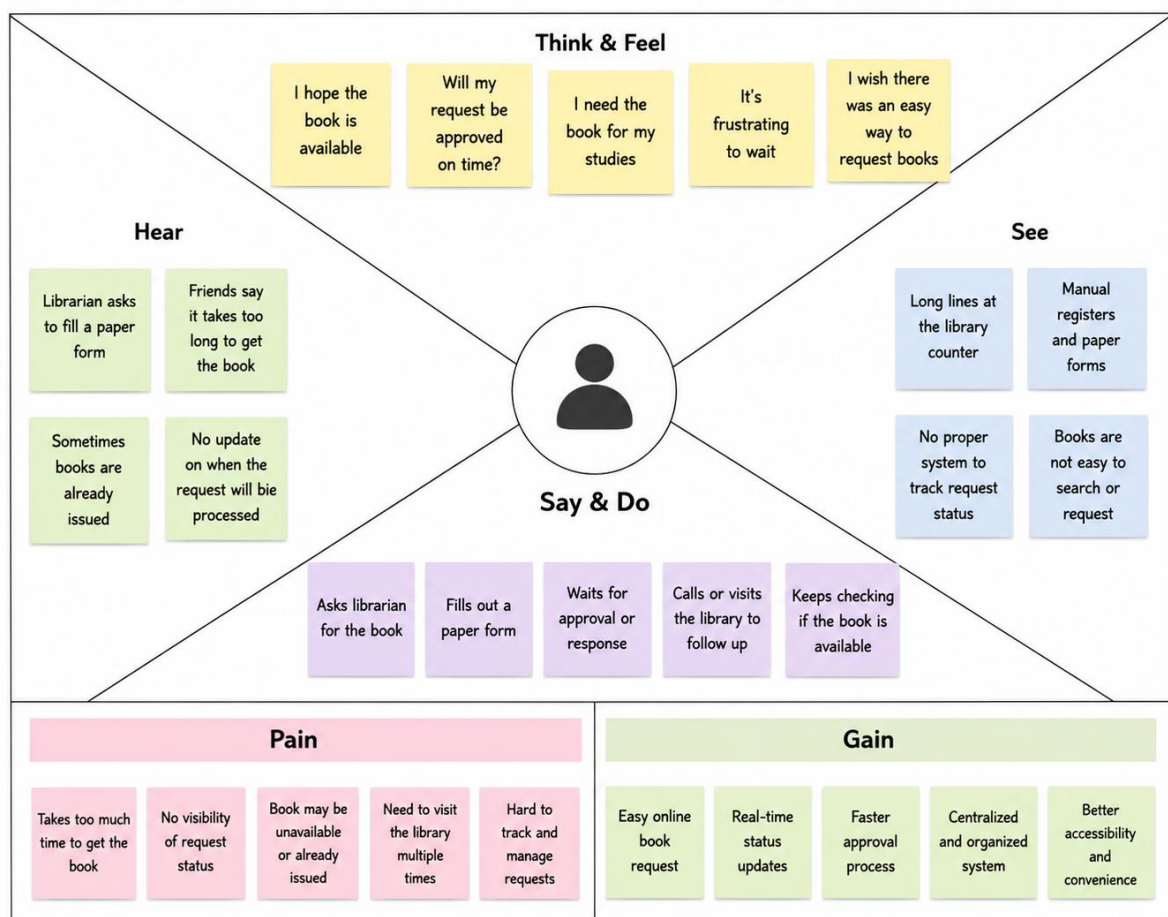

Date	29 June 2026
Team ID	Individual Project
Project Name	Library Book Request Management System
Maximum Marks	4 Marks

Empathy Map Canvas:

The Empathy Map helps understand the needs, thoughts, emotions, and challenges of the users interacting with the Library Book Request Management System. It provides insights into the user's experience and helps design a solution that improves the overall library book request process.

Example:

Empathy Map – Library Book Request Management System

Empathy Map Details

Think & Feel

- I need the book for my studies.
 - I hope the request gets approved quickly.
 - I want an easy way to request books.
-

Hear
